

Tom Mix Does A Few Stunts

He's a sure shot
but even if you
had faith would
you like to be
the smoker?

The game
is to pull the
chimney down
without being
deluged with bricks.

Staging a feud scene. Tom Mix has just shot the pipe out of his
opponent's mouth.

He takes a pot shot at his pursuers in a Bad Lands screen drama of the Fox brand.

He does a song and dance, the song not being seen, on the top of a careening locomotive.
